

THE DIRECTOR OF CENTRAL INTELLIGENCE

MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT: Key Intelligence Questions for Fiscal Year 1975

1. Attached is the final version of the Key Intelligence Questions for Fiscal Year 1975 which I am submitting to the National Security Council Intelligence Committee.

2. This final version reflects the comments and suggestions which members of USIB provided in writing and raised in oral discussion around the table when these KIQs were discussed at the USIB meeting on 2 August 1974. These suggestions were appreciated and very helpful. Because of them, this final version is a distinct improvement over the original drafts.
